

Breeze Hill Elementary  
Fifth Grade Supply List  
2014-2015

Dear Parents,

This is a recommended supply list to assist you in preparing your child for the start of Fifth Grade on August 18, 2014. Please secure these items prior to the first day of school so your child is ready and prepared for learning. Please note that many items will need to be replenished often. Additional supplies may be recommended during the school year, so please make sure your child checks with their teacher. We are looking forward to meeting and working with you and your child this coming year.

Your cooperation and help are greatly appreciated!  
Fifth Grade Teachers
